Sir,

Dlag X 16/D/941 Sen A 4/11

In continuation of my letter No. 537-2 dated the 11th October 1941 reporting that a Printing Press has been started in the Central Jail, I have the honour to state that, as a number of tools and plant are daily in use in the Printing Section, it is necessary that this section should be properly guarded. The existing strength of the warder establishment is inadequate to supply the necessary guard for work at the Press. The Superintendent recommends the entertainment of an additional staff of one Head Warder and 3 warders. I am of opinion that in addition to the Foreman and the Machine Minder already employed, a guard of two warders, each on Rs. 12 plus 3 per mensem, would be enough for the purpose and accordingly request sanction to the entertainment of this guard. The additional cost during the current year will be met from out of the savings anticipated under "Establishment charges" in the Budget of the Jail. A copy of the letter received from the Superintendent is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Monteiro.

Offg. Inspector-General of Prisons.

Letter No. 1155/F.12 dated the 18th April 1941 from the Superintendent, Central Jail, Bangalore to the Inspector-General of Prisons in Mysore, Bangalore.

With reference to your letter No. 335-13 dated 16th April 1941 forwarding copy of G.O. No. P. 5055-8/Pris. 92-40-1 dated 7th April 1941 sanctioning the opening of Printing Press in this Jail, I have the honour to state that necessary arrangements have to be made for guarding this industry where large number of tools and also plant will be in daily use. The present warder strength is in-adequate as already reported in this Office letter No. 1151/F.12 dated 5th October 1940.

Under the circumstances I request you to kindly move the Government to sanction an additional warder Establishment consisting of one Head Warder on Rs. 17 plus 3 and 3 warders on Rs 12 plus 3 each per mensem.
